## WELCOME TO KAYNE'S BAR & BRASSERIE

*At Kayne's we are all about friendliness, warm surroundings, great service and the best of food & drink. The only way we can achieve this is through a partnership of our team, our local suppliers and our wonderful customers – some new, some for many years.*

*The name Kayne's comes from the perfect partnership of Kay & Neil Randles. Married in 1960, Kay is efficient, hugely welcoming and the epitome of style. Neil was friendly, loved the craic and the company of all. We believe all of these essential attributes are present today.*

*The Randles family commenced business in 1921 and today the 4th generation are still involved and continue the vital link with customers, local suppliers and the wonderful people who work here. Thank you for choosing Kayne's today and I would love to hear your opinion on your visit and look forward to welcoming you back again soon.*
